

## VENUE-BASED RISK ASSESSMENT CHECKLIST

<b>u3a Name: Bracknell Forest u3a</b>	<b>Date: March 2023</b>
<b>Name of person completing risk assessment checklist: Lynda Lunn</b>	
<b>Interest Group: Ballroom Dancing</b>	
<b>Description of Activity: Ballroom, Latin and Sequence dancing at Bullbrook community centre</b>	

This checklist is to help in the planning for a venue-based activity, such as a community hall. This isn't an exhaustive list, so think carefully about any specific risks you may encounter. It is likely that you will need to add to this risk assessment checklist. This form can (and should) be altered to suit specific activity requirements.

Where you identify a particular risk you should note the actions you will take to reduce it. It's important to carry out a risk assessment before the activity takes place, and you can always add to this during the activity.
